- Prices for domestic flights, airport taxes or park fees may be changed without prior notice. This is beyond our control and any increase levied will be passed to you

DETAILED DAILY ITINERARY

Day 01

Arrive in Arusha

After landing in northern Tanzania at Kilimanjaro International Airport (**arrival flight not included in quotation**) you will be met after entry formalities and transferred to **Arusha Coffee Lodge** where you will spend **1 night** on a **bed and breakfast basis**.

1 night (breakfast)

Arusha Coffee Lodge

Situated just 5 minutes from Arusha Airport, the Arusha Coffee Lodge is ideally placed to begin a safari in Tanzania, and offers stylish accommodation on the grounds of a coffee plantation. Comprising 30 Plantation Houses - including 12 Plantation Suites - all of which radiate out into the evergreen coffee fields - Arusha Coffee Lodge has been designed around the original landowner's home which dates back over 100 years.

Day 02

Arusha ~ Ngorongoro Crater

After breakfast you will be collected by your private guide and driven through Lake Manyara National Park. After a picnic lunch you will head to the wilderness area to the north of Ngorongoro Crater where you will spend **2 nights** at **The Highlands** on a **fully inclusive basis**.

2 nights (all meals and drinks)

The Highlands Ngorongoro

Set high on the slopes of Olmoti volcano, The Highlands will be a warm and stylish high altitude camp. The seven luxurious tented suites will offer king size beds with bay windows so you can enjoy the endless views from the comfort of your bed. Wood burning stoves will keep your domed suite warm throughout the night. The main area will be built around an inside fire place, the perfect place to unwind at the end of a day of exploring.

Lake Manyara National Park

Being a relatively small park, and with Lake Manyara taking up the majority of the area, Lake Manyara National Park can be covered easily on half-day game drives, but these drives are usually very rewarding despite their brevity. The scenery and birdlife are Lake Manyara's major attractions, with the lake being perfectly located to offer spectacular views along the Great Rift Valley.

Ngorongoro Crater

A unique and fascinating game viewing destination, the Ngorongoro Crater is a must-see on any Tanzania safari. Being the world's largest intact caldera, and the result of a collapsed volcano thousands of years ago, the 260 square kilometres of crater floor hosts up to 25 000 animals at all times of year. This makes it one of the most dense wildlife areas in Africa, and allows for many memorable sightings.

Day 03

Ngorongoro Crater

A highlight awaits you this morning as you head to the Ngorongoro Crater and descend through the early morning mists to the crater floor. An amazingly diverse and abundant wildlife populates this ancient caldera, and you will spend the day touring this varied habitat, with a picnic lunch at a hippo pool. This afternoon you head back out of the crater to your camp.

Day 04

Ngorongoro Crater ~ Serengeti National Park

This morning, your guide will bid you farewell when he drops you off at Manyara Airstrip for your flight to Kogatende in northern Serengeti. On landing you will be met by camp guides and driven to **Sayari Camp** to spend **3 nights** on a **fully inclusive basis**. You will go on a game drive this afternoon after settling in to your tented accommodation.

3 nights (all meals and drinks)

Sayari Camp

Sayari Camp overlooks vast Serengeti plains, home to staggering wildlife, great numbers of big cats, giraffe, elephant and buck and an increasing population of rhino. The 15 luxury guest tents blend perfectly into the majestic Serengeti landscape. Both wings have a separate mess and dining area to ensure intimacy and personal service. Each tent has a kingsize bed (twins also available) and a large, private veranda overlooking the Serengeti. The en suite bathrooms each have a flush toilet, double basin, shower and a beautiful bath with a view. After game drives, you can enjoy the infinity pool or choose to relax in the privacy of your veranda, the warmth of the fire place, or the comfort of the library, bar or lounge.

Serengeti National Park

The word "Siringit" means "endless plains", and this is understandably from where the Serengeti National Park takes its name. The iconic, endless, golden plains of Africa are nowhere more evident than within this national park, as they stretch off into eternity, dotted throughout with thousands of animals. Located in the north-west corner of Tanzania, alongside Lake Victoria, the Serengeti has earned its place as one of the world's most famous wildlife areas.

Day 05 & 06

Serengeti National Park

For these two full days you will have morning and afternoon game drives, or a full day drive with a picnic lunch, hopefully with the amazing concentrations of game and the attendant predators and scavengers within range of your drives.

Day 07

Serengeti National Park ~ Kigali

You will be returned to Kogatende Airstrip this morning in time for your flight to Kigali. At Kigali Airport you will be met and transferred to the **Kigali Serena Hotel** to spend **1 night** on a **bed and breakfast basis**.

1 night (breakfast)

Kigali Serena Hotel

Ideally located on one of Kigali's most charming boulevards, the five-star Kigali Serena Hotel is built around a polished granite atrium, which showcases the very best of Rwandese cultural art. Relaxed yet elegant, the hotel centres on the Executive Lounge and Bar, which opens onto a wide sundeck overlooking the newly refurbished swimming pool. The 148 rooms and suites of various standards all include a wide range of amenities.

Day 08

Kigali ~ Volcanoes National Park

After breakfast this morning you will be taken on a city tour and a visit to the Genocide Memorial, before having lunch. After lunch you will be driven on the scenic route to the Volcanoes National Park, where you will spend the next **2 nights** just outside the park boundary at **Sabyinyo Silverback Lodge** on a **fully inclusive basis**.

2 nights (all meals and drinks)

Sabyinyo Silverback Lodge

Sabyinyo Silverback Lodge is adjacent to the Parc National des Volcans in north western Rwanda, and is a truly luxurious retreat in the Virunga Mountains. The guest cottages are privately situated in the folds of the hills, each having its own unique view. All are stone buildings featuring large sitting areas, fireplaces, dressing rooms and sheltered verandas. The main lodge building includes a reception, sitting room, dining room, bar area, library / games room, a responsible tourism / community awareness room and shop.

Volcanoes National Park

“In the heart of Central Africa, so high up that you shiver more than you sweat, are great, old volcanoes towering up almost 15,000 feet, and nearly covered with rich, green rainforest - the Virungas”. That description of the location, given by the primatologist Dian Fossey, explains what to look forward to when planning a visit to the Volcanoes National Park. Situated in the far northwest of Rwanda, the Volcanoes National Park protects the steep slopes of this magnificent mountain range - home of the rare mountain gorilla.

Day 09

Volcanoes National Park

Today will be your exciting gorilla trek, as you wake with an early start, and join your group venturing into the Virunga Mountains. You will be led by experienced guides and rangers, as they take you into the lush rainforest in search of these beautiful animals. Gorilla treks can involve walking time of anywhere between 30 minutes and 8 hours, although it will be arranged for you to try and visit the nearest gorilla family to limit your walking time. Once with the gorillas, 1 hour will be spent watching them, and experiencing the group move around you, before your guide will give you the signal to start heading back down the mountain.

Day 10

Day of Departure

You will be driven back to Kigali Airport today in time for your departure flight (**flight not included in quotation**).
